

GENERAL RULES REGARDING THE USE OF THE ASSOCIATION'S FACILITIES

1. The facilities are available for the use by membership in accordance with the bylaws and rules and regulations currently in effect. It is each member's responsibility to become familiar with these requirements. (Copies are posted on the bulletin board.) Certain facilities may be reserved for special use during the year (swimming pool for meets, pool area for special events, tennis courts for tournaments, etc) and members should check in advance.
2. Alcoholic beverages are not allowed on Association property except during specifically designated adult social functions.
3. Possession of firearms, including B.B. guns, air rifles, pistols, or slingshots is forbidden on Association property.
4. Vehicles, including four-wheel drive, bicycles, motorcycles and mopeds, may only be used on the hardtop entrance road and parking lot and are permitted on Association property only for transportation to and from the premises.
5. Skating of any kind is prohibited on Association property at all times.
6. Pets are not permitted on Association property. Please keep your pets at home so all our members may enjoy the facilities to the fullest extent.
7. Lifeguards and Gate Guards are required to enforce the rules and regulations governing the use of the facilities. Your cooperation will be greatly appreciated. If you have any question regarding a particular rule or its enforcement, please contact the General Manager or one of the assistant managers.
8. Adherence to the above rules will make the use of the facilities more pleasant, safe and enjoyable for all members. Reporting of any infraction to the Manager on Duty is the responsibility of every member.
9. The gate located at the entrance of the Association will be locked each night at 10:00 P.M. by a person or company selected by the Board of Directors or the General Manager. The tennis key will open this gate.
